

Parklands School

STRATEGIC PLAN

Our Vision

To develop confident, lifelong learners who are ready to make our world a better place

Our Purpose

Provide holistic education in a vibrant, nurturing community that enables our students to develop a strong sense of self, and reach their full potential

Our Values

Community. Creativity. Fairness.
Kindness. Respect

Teaching and Learning Excellence

Develop a positive student centered experience that exemplifies our school values.

Staff Development & Teaching Acumen

Empower our staff to develop and deliver best practice, innovative learning programs.

Classroom Environments

Create and maintain inspiring learning spaces both built and in nature.

Enriched Curriculum

Facilitate student understanding of diversity, global issues, service, leadership and sustainability through enriched curriculum.

Student Wellbeing and Development

Support the holistic development of students to foster wellbeing, resilience, curiosity and a lifelong love of learning.

Academic growth

Maximise individual student learning progress over time.

Wellbeing, Safety and Belonging

Ensure holistic support and a restorative approach to student wellbeing and safety.

Social and Emotional Development

Empower students to form positive relationships, develop healthy self identity and manage their emotions.

Inclusion

Encourage a sense of belonging and connectiveness for all students.

Our People and Culture

Promote a positive, supportive culture that fosters collaboration, innovation, happiness, and professionalism whilst enhancing the capacity of both staff and the organisation.

Whole School Culture

Foster and develop a culture that aligns with our vision, purpose, and values.

Staff

Attract and engage the best staff who align with our whole school values and ethos; become employer of choice.

Board & Governance

Continue fostering a transparent, collaborative and productive relationship between the Board, leadership, and broader school community.

Community

Nurture current partnerships and develop opportunities to establish purposeful relationships benefiting both our school and our community.

Organisational Sustainability

Maintain a resilient and effective organisation with the ability to adapt to change.

Enrolments

Focus on student numbers being maintained to ensure both financial and educational efficiency and sustainability.

Building and Campus Quality

Invest in maintenance and improvement of buildings and school grounds ensuring a purpose built environment.

Financial Sustainability & Risk Management

Ensure effective financial sustainability and risk management to protect our school community and support its strategic objectives.

Environmental Impact

Investigate and implementation of sustainable practices to minimise our environmental impact.

Our Motto
Learning for Life
