Parklands School Board

Leadership in the Parklands School Community

Parklands School is an independent school governed by a group of people who are committed to the achievement of the vision and mission of the school in ways that align with the school's values, as well as to ensuring that all legal and financial obligations are met.

The Parklands School Board provides the strategic direction for the leadership and management of the school, along with support and guidance on particular matters as needed and as appropriate. The work of the Board relies on the strong expertise and authentic commitment of its members, and a healthy, functioning Board is critical to the sustained success of the school.

The Parklands School Board welcomes Expressions of Interest from people in the school and wider community who can contribute to the board as members. If you have expertise in any of the areas listed below, and most importantly, have the time and enthusiasm to contribute to Parklands School as a board member, we would love to hear from you.

The commitment comprises:

- Attendance at general Board meetings twice per school term
- Attendance at sub-committee meetings if applicable
- Pre-reading of meeting papers
- Follow-up actions on any matters as agreed in a meeting
- Completing mandatory reporting and other essential training/compliance requirements
- Participation in annual strategic planning
- Occasional presence at staff and/or P&F meetings
- General willingness to promote the school in the community as opportunities arise

There are also occasional opportunities to take part in professional learning related to Board governance.
