

Uniform Transition Policy

Each child is expected to wear the Parklands School uniform. All uniform is to be purchased through the school office. It is important that all items of clothing and other belongings are clearly labelled with the child's name.

Why we have a school uniform

- It builds "esprit-de-corps"
- It ensures that children are in comfortable clothing suitable for a range of activities they will need to perform in a school day, such as mat and desk work
- It reduces peer pressure to conform to the latest fashion trends
- It identifies the school in the eyes of the general public
- It leads to better self-discipline when the children are in public
- It reduces costs to the parents

Jackets for boys and girls

If a child chooses to wear a winter jacket, it must be the preferred uniform jacket. These are available from the school uniform store.

School Bags

Parklands School bags with the school logo are available as part of the uniform order for new students at the school office.

Library Bag

Students from Pre-primary onward must have a library bag. School library bags are available from the school office.
